

# CHEMICALS

Providing Innovative Solutions for a Broad Range of Applications

## PRODUCTION CHEMICALS & SALES

- Emulsion Breaker
- Paraffin Control
- Low Dose Hydrate Inhibitors
- Biocides
- Asphaltene Control
- H<sub>2</sub>S Scavengers
- Foamers
- Commodity Chemicals
- Frac Specialty Products
- Scale Inhibition
- Degreasers
- Water Clarifiers
- Corrosion Control
- Oxygen Scavengers
- Flow Enhancers
- Defoamers

## WATER TREATMENT SERVICES

- Raw Water Treatment
- Cooling Tower Treatment
- Boiler Feedwater Treatment
- Chemical Injection Systems

## LABORATORY CAPABILITIES

- Bacteria Cultures
- Chemical Residuals
- Complete Water & Oil Analysis
- Emulsion Breaker Evaluations
- Oil in Water
- Scale & Corrosion Coupon Analysis
- Solids Identification
- Pipeline Technology
