

AUTOMATION

**Advanced Solutions that Reduces Operational Costs,
Increases Productivity and Optimizes Performance**

Siemens is the world's single source leader of automation technology products engineered and manufactured for all industrial sectors.

TOSL Engineering Limited has over 18 years of experience in Automation and Controls. We are able to provide Integration services through our multi-skilled Automation Engineers, utilising various software and equipment. We are Authorized dealers for SIEMENS but are capable of integrating with other automation brands that suites the customers design specifications.

SIEMENS

Rivertrace Engineering Limited is an ISO 9001 Quality Assured Company and market leader with over thirty (30) years experience of Oil in Water monitoring both onshore and offshore.
